Sid's Place NOVEL by The Hippy Coyote

If you survived the sixties as more than a "jock," or a "sosh," you'll enjoy all the flashbacks in this book about L.S.D. tripping and keg parties. The real woodstock generation stories. Where did the hippies come from?

Hang out with the real hippies of 1969. The last of the peaceniks. As the war on drugs became a civil war, as terrorists sought to disrupt the American war machine, and as people tried to think independently and sever themselves from the previous generation...

Download the PDF novel and enjoy it on your computer or print it out and take it to work with you...

Utah Phase 1 = The Poetry of Level 1 + Level 2 of American Zen

This poetic journal of The Coyote's epic battle in the spiritual brineland of Salt Lake City, includes the lyric sheets used by American Zen to learn/rehearse/and record the songs of their first two albums.

Some of the poems included in **UTAH PHASE 1** having not been recited or recorded, are presented for the first time ever in this collection of poems and lyrics written by The Hippy Coyote.

You can purchase the PDF of this book directly from shaolinCOM.com now. \$12.88

It took 20 episodes to tell the story of **LEVEL 1 = Peace Of Mind.**

It took even more than that, as Coyote became the human guinea pig for www.actZEN.com

This led to the transformation of The Coyote into The Hippy Coyote, Richard O'Connor back to Richard Del Connor, and Master Zhen to Buddha Zhen.

He also wrote a couple of books and learned some amazing insights about human nature as he sought to understand the foundations of personal motivation.
